

Bence Takács

Cím: Csavargár utca 1-3. 126. szoba, 1138 Budapest

Telefon: +36307358878

E-mail: bence00102@gmail.com

Életkor: 21 years

Education

2010 - 2013

Kandó Kálmán Faculty of Electrical Engineering, Budapest
Institute of Automation, Programmable Controlling and Vehicle Electronics

2006 - 2010

Sándor Cserhádi Technical Vocational School, Nagykanizsa
Electronics

Employment history

2013-

Bejczy Antal iRobottechnikai Központ

Skills

Language skills

Hungarian - native speaker
English - basic

Computer skills

Microsoft Excel - advanced
Microsoft Powerpoint - basic
Microsoft Access - basic
SolidWorks - basic
Adobe Photoshop - basic

Computer skills – programmer

Assembler - expert
C – advanced
PLC - advanced
C++ - basic
PHP – basic

Awards, Competitions

2010- National Microcontroller Programming Competition, Győr Assembly nyelv 2. helyezés

2011- Competition of Applied Engineering Sciences, Kiskunhalas

2012- Competition of Applied Engineering Sciences, Szeged

Republic scholarship

Student's Scientific Society Automation csoport 1. place, (Rubik-Cube Solver Robot)

2013- Republic scholarship

National Student's Scientific Society robotics csoport 3. place (Rubik-Cube Solver Robot)

Competition of Applied Engineering Sciences, Szeged

Design Challenge international robot construction competition, 2. place , Best Design special Award,
Wilhelmshaven

Interests

My hobbies are robots building and programming, and the cars and bikes.
